* July 5th Paper/Cardboard and Electronics collections are on Thursday.

The DPW sells a blue 32 gallon recycling barrel with lid for \$15.00.

Do not use plastic bags to hold your paper/cardboard. This contaminates the load.

Do not use a dark plastic bag to hold commingled recyclables. The sanitation worker may think it is garbage.

All grades of plastic & solid plastic/foam with no recycling stamp are accepted with commingled.

Call the DPW at 201-337-8104/8103 to be put on the electronics collection list.

Rechargeable and recyclable batteries and are collected at the D.P.W. building and in Borough Hall. Alkaline batteries are not recyclable (put in regular garbage).

Unbroken mercury fluorescent light bulbs are collected at the D.P.W.

Call the D.P.W. if you are putting out a refrigerator or air conditioner. Remove the refrigerator door for safety.

All Oakland garbage and recycling curbside collections are for residences only. No commercial businesses are included in this pickup.
