

**Oakland Communications Commission  
Emergency Session Meeting Minutes – October 28, 2008**

The emergency meeting was called to order at 7:00 p.m. by Chairman Lottermann with the roll call. Present were Commissioners Dellaiacono, Foley and Ostapczuk.

The discussion was as follows;

1. Are these slides (democrats and the open space one) to be considered political programming? YES
2. Were both submissions done in a timely manner and correctly, as the [communications@oakland-nj.org](mailto:communications@oakland-nj.org) is the official e-mail address of the OCC? YES
3. Since both answers are YES, both slides will start running on Monday, 12:01 AM until 9:00 PM on Tuesday.
4. There are some issues for the OCC to discuss with regard to the bulletin board and political programming. In the future should we allow this, how much, etc.
5. The bulletin board submission forms need to be updated and/or the by-laws need to be updated to assure that they are the same. There are some differences. We should also include e-mail submissions as an acceptable method and define the address.

Motion by Commissioners Foley/ Ostapczuk to close the meeting at 7:30 – All in favor.

Meeting adjourned at 7:30 PM

Next meeting, November 19, 2008

Respectfully submitted by Peter Foley, 11/17/08
