

## **RACCOONS AND SKUNKS**

Raccoons and skunks are nocturnal animals but may occasionally be seen during the day foraging for food for their young.

Raccoons and skunks are common carriers of rabies and, therefore, residents should avoid all contact with them. Animal observed behaving aggressively, stumbling or sick should be reported to the Police Department at 201-337-6171. Call 911 in case of emergency.
