Borough of Oakland Announces Schedule for Road Resurfacing Program

Oakland, N.J. – September 21, 2022 – On or about September 27, 2022, construction will commence on the Borough of Oakland Road Resurfacing Program. The work includes the milling and resurfacing of the following roads. Roads are listed in the anticipated order that they will be completed and the order is subject to revisions:

- Dogwood Drive;
- East Court;
- West Court;
- Garrison Place;
- Crosby Lane;
- Hatfield Road;
- Lehigh Way;
- Loyola Place;
- Minnehaha Boulevard;
- Rock Ledge;
- Timberline Lane;
- Shadow Lane.

Milling will begin on or about September 27, 2022, and paving will begin on or about September 30, 2022. No parking and detour signage will be posted along the roadway at least 24 hours prior to the start of the milling and paving. Construction will take place from 7:00 a.m. – 5:00 p.m. daily. Please move your vehicle(s) off the street by 7:00 a.m. on the dates indicated on the signage. Access to the street will be limited until approximately 5:00 p.m. on the days of construction. Every effort will be made to make sure inconveniences are minimal, and that the work will be completed as quickly as possible.

For any questions or specific concerns regarding the project, please contact Boswell Engineering at (201) 334-3045.
