

Borough of Oakland
Bergen County, New Jersey

Resolution 21-340

Agreement to Install Water Service Line

WHEREAS, the water service line of the resident at 70 Pawnee Ave. is leaking on his property and the cost to repair it would be prohibitively expensive due to the need to remove and replace a retaining wall; and

WHEREAS, a less costly alternative exists whereby the current service line that is connected to the Borough's water main on Iroquois Ave. would be disconnected and a new service line would be connected to the Borough water main on Pawnee Ave., and

WHEREAS, the resident, Mr. Gerald Ebio, is willing to pay the Borough's cost for our portion of the work, which is calculated to be \$ 12,895.59;

NOW, THEREFORE, BE IT RESOLVED that the Borough Council authorizes a water service agreement with Mr. Gerald Ebio to undertake this project as specified in this resolution.
