Mr. Monaco commented that the whole property should be sold and then the Borough can pay back the grants. Mr. Kunze advised that at the last meeting, the Council authorized Margaret Hickey to prepare a cost estimate on the Stream House and today the Borough took qualifications for Phase 2 of the Van Allen House.

Mr. Kunze provided a memo and spreadsheet on the proposed capital expenditures. As proposed, the capital budget is \$ 3.7 million and is subject to discussion and modifications. He advised that we are still trying to get quotes on several items which need to be included. The new system for the OCC will cost \$15,000. Mr. Kunze advised that a meeting is scheduled with CDBG to amend the request for more money for the fire sprinkler system at the Senior Center. Mr. Kunze advised that we are authorizing \$ 2.6 million in debt. A large portion of that is for the Patriots Way Bridge which is backed by a \$ 500,000 grant. The grant will decrease the amount of debt. There is a second grant application at DOT for consideration.

Councilman Pignatelli questioned the cost of the Police cell block upgrades and ask if this is mandated. Mr. Kunze responded that the cell block updates are mandated and our cell block does not currently comply. Mayor Schwager reiterated there are State mandates on this. Mr. Kunze explained that we have been given waivers until now. Councilman Talamini asked what is being done. Mr. Kunze explained that the area has to be designed, constructed and outfitted in a way so that no one can harm themselves. Councilman Knapp explained that the whole area is getting demolished and redone. There are three rooms that need to be redone. Mr. Kunze explained that this is the higher estimate. Councilman Pignatelli asked if there are grants available. Mr. Kunze responded he believes grants are available. Councilman Pignatelli commented that if this is mandated, the State should provide money. Councilman Pignatelli questioned the additional \$ 6,000 for the Fire Department's cascade system. Councilman Knapp explained that the unit that they got a quote on is no longer offered so they had to go the next model. Mr. Kunze advised he would like to introduce the ordinance on June 13th.

Mayor Schwager advised that Eagle Scout candidate Jonathan Wong is doing a project at Great Oak Park with historical signs. It will add to the charm of Great Oak Park.

Councilman Knapp advised that during the budget hearings, the Fire Chief spoke about putting up a garage behind Fire Company 1 which would cost \$400,000. Councilman Kulmala had asked that we look at the cost. We now think it can be done for about \$ 225,000. This is going to be used to store additional vehicles, boats and the OEM vehicle and will include a loft for storage. Councilman Pignatelli commented that this would need to go before the Planning Board. Mr. Chewcaskie confirmed it would need a capital review. Councilman Talamini questioned the size. Councilman Knapp responded it would be 24x40. Councilman Pignatelli asked what kind of construction. Councilman Knapp responded it would be steel.
