Commissioners Guadagnino, Lattera, Logatto, Saliani, Scalabrini, Walker, King, Coira and Hagerman were present. Councilman Van Eck was absent.

Chairs Report: We were notified that someone with the 6th grade camp group tested positive for COVID-19 last week. The county and state were contacted and the Borough reviewed all state and CDC guidelines to ensure proper procedures are being followed. The CDC guidelines states that everyone exposed must be quarantined 10 days and the state states 14 days and are anticipating everyone follows the 14 days before returning to camp. This left us shorthanded with counselors so we ended up having to cut back open camp in order to staff camp.

The police called Chairman Guadagnino and he reached out to Commissioner Saliani about it. He spoke with the coach and have worked it out.
