- a. Carnival update (June 26-29)

Mike went over our Carnival results in detail. We ended up making more than last year. We did not have some of the expenses this year as we did last year. Some discussion about next year's carnival, which remains to be continued by next year's carnival sub-committee.

Mike gave a carnival update on the Rotary as well. They had more expenses this year, extra trailer, win every time game, etc.. They publicly posted the final amount on their face book page just a week ago. We talked about letting the non-profit decide on next year's game company. Howard wanted to know the details of Rotary's take in and expenses. Tim added that it's public knowledge and anyone can get it. Howard suggested we file as a committee to get the results so we can let other people know next year. Howard feels that out of respect for Public Events, they should give us a copy. Mike repeated that the final number had just come out as a result of PE, Paladin/Rami and Rotary meeting a few days prior to our meeting, so he's sure they'll share as soon as they can.
