

Meeting starts at 7:30pm 5/10/21

1. Roll call
2. Sub committee reports  
CRS from Mike P & Nick Agnoli
3. Update from Roy Bauberger on river conditions and any actions being undertaken
4. Presentation from Carrie Terwilliger of Sustainable NJ on their river and daylighted storm water initiatives and how or what elements may overlap. On initial look it seems we may already be engaged in activities that sustainable NJ might be able award points for to Oakland
5. Update on the river restoration (Lew & Nick)
6. Open to the public
7. Comments or questions from the members
8. Meeting will close no later then 8:30pm
