  ○ Review of 2021 vs. 2022 stats for viewership - chart attached
    ■ Review of the Stats from LocalBTV - Good news the report shows that our viewership increased by 200 people just through this application alone. The other companies that broadcast the channel (Verizon and Altice) do not provide this type of information to us. Commissioner Barry thought this was an excellent increase and it shows people are watching. Purpose is to let people watch who don’t want to leave the house for meetings.
  ○ Update on a class or classes on Adobe Premiere and Final Cut Pro to increase knowledge amongst volunteers about video editing.
    ■ Need help with the post production. Commissioner Barry wants to educate the team to learn editing. Commissioner Barry has a contact that has offered to come in and teach the group. Secretary Seelin stated we should have it next week. We need help with editing from the TV Committee. Anyone on Commission interested in attending and taking part? Concept is to take letter word representations of everything in town, history, fabric of the town and current items graphic design, a word tree that represents all of Oakland. Should be easy to accomplish as well. Can do a 1 or 2 color to keep cost down. Chairman Schwertfeger asked what the color of the bag would be, Commissioner Levy stated Blue and Yellow. Chairman Schwertfeger can provide the OCC Style guide to Levy, so that she has a guideline. Forest green for the oak tree and lighter color for other printing.
    - Commission will proceed by getting design and cost together so that the requisition can be approved. Commissioner Gambatese asked if we get everything in by next week if there is enough time, I stated that the next meeting is the 22. Wendi will inquire about how many quotes we need. Schwertfeger asked to have a vote on the type of bag, cap of how much to spend, and need design options emailed to committee for approval. Commissioner Levy suggested one color for the bag, which would allow for more room to print on the bag. Levy asked that anyone with ideas send them to her.

NEW BUSINESS/DISCUSSION ITEMS

- **OCC 2023 Budget Review**
  
  Chairman Schwertfeger did a brief summary of his responsibilities to submit the budget, he asked that the Capital Project Requests be pulled for separate review. Chairman went through all the budgets that he is preparing to review with the Borough Administrator and CFO.

  - Our budget request does not include: Capital Expenditures it's separate
  
  - The Budget Request does include a stipend for our secretary. The proposed budget is $15,550.00 a decrease of $2,000.00 over what was requested last year, but just shy of $4,000.00 more than what we received in 2022, keep in mind that we did not have a secretary, that amount is $1,200.00.
  
  - New 5 year plan coming out next year, allows the Borough to see what we have in the works for the OCC.

  - Newsletter Committee budget is $600.00, $400.00 of that is dedicated to Constant Contact in case we go over the allotted amount of subscribers. $100.00 for Social Media advertising to promote the newsletter and see if we can get more people in town aware of it and subscribe to it.

  - Contracted Services is $4,000.00, for the Control room engineer and additional money in case something breaks or needs extra services.

  - Professional development is down from last year to $150.00. We have been trying to attend a TV Conference through JAG, but it didn’t work out for last year and we are leaving in the budget for the possibility of attending in future.

  - The TV Committee request is for $5,100.00, $550.00 is for creative cloud subscription, we split this with the Borough as the Clerk uses it as well. There is money reserved towards replacing a battery in the equipment rack that will be coming up soon. Approximately $2,000.00 for the final phase of digital conversion, there are 95 VHS cassettes left to be transferred. There are 35 DVDs that could not be converted in house, looking to have them done next year.

  - Memberships to NJ Access Group which allows us to download content if needed.

  - The Welcome Website Social committee has a budget of $1,000.00 towards printed welcome books and printed materials as well as additional tote bags if needed. We will need local business input and support to get it going and help finance.

  - The Bulletin Board Committee request is for $1,300.00, this amount covers our contract with the Bulletin Board provider.

  - The Miscellaneous budget is $1,000.00 has been part of the budget forever and covers any
miscellaneous purposes that are small in nature or for use if another committee needs it.

We are asking the town for half of the money to proceed and will look to raise the other half of the money with donations, grants and other resources. We have one quote from Outreach FX. The chairman used their quote for a total cost of 48,000. We are asking for the town to contribute 25,000.
