Our goal is to provide every camper with the fundamentals necessary to make them the best football player they can be. It is also our objective that every player has fun while learning the game of football. The players will be broken into age groups and skill level in order to keep competition as fair as possible and to maximize learning opportunities. We have the most dedicated staff of area coaches and former players who have tremendous football knowledge and want to convey that knowledge to future high school and college players. We also have a very low coach to camper ratio to ensure more personalized instruction.

*Please note: All NJ COVID-19 guidelines will be followed. Campers should bring a water bottle, snack and cleats with them each day. It is also suggested to bring athletic/latex gloves and a facemask.

Coaching Staff:
- Dominic Mulieri - Head Football Coach / Health / PE Teacher IHHS
- George Hill - Assistant Football Coach / Health / PE Teacher IHHS
  In addition, several current coaches / players will assist as guest coaches

Camp Features:
- Instruction in all phases of the game, skills & drills for all positions, game competition, personal skills test and a camp t-shirt.
