Mayor Frank Bivona and Dina Robinson, Community Director are proud to present the 4th annual Goals 4 Hope. The MWC's purpose is to get children and adults outside to promote healthy activities and well-being while supporting local families in our community. This year's tournament is being held to raise money for Antonio Iapicca a sophomore at IHHS and longtime RYSA soccer player. On September 19, during a high school JV soccer game, Antonio was kneed in the abdomen with extreme force, which severed his pancreas. He spent over 2 months at HUMC being fed intravenously and going through several surgeries. He is currently at home recovering and Doctors are hopeful that he will heal completely but it will take several months with some additional endoscopic procedures to ensure that his pancreas can function normal again. Antonio hopes to be back on the soccer field by next Fall season.

Please support Antonio by registering a team , becoming a sponsor, a donor or a volunteer!
