

Oakland After Camp

New This Summer 2024!

Program Information

New this summer to Oakland's summer campers is **Oakland After Camp (OAC)**. **Oakland After Camp** will be available from 3:00 p.m. to 5:00 p.m., Monday - Friday, throughout the duration of the Oakland Summer Camp. The program is designed to support Oakland parents who, due to work or other commitments, need additional childcare coverage. Over the years the demand for this additional care led many parents to have to arrange for alternative childcare, including costly babysitters, until the end of the workday. **Oakland After Camp** will finally fill the gap during that time and offer campers a variety of activities to round out the day. Campers will enjoy both indoor and outdoor activities, including water activities, water slides, games, and other sports. **OAC** will also provide daily snacks, food, and snow cones throughout the program. Also, the transition from daily Summer Camp to After Camp will be seamless. **OAC** Counselors will meet your child at 3:00 p.m. and escort them directly to the Danny D building, which will serve as the home base for **OAC**, utilizing the inside of the building and the outdoor tents.
