

OAKLAND POLICE DEPARTMENT RECRUITMENT PLAN

GOALS and OBJECTIVES:

The goal of the Oakland Police Department Recruitment Plan is to attract qualified individuals to pursue a career with the Oakland Police Department. The objective is to achieve an overall racial and gender composition of the department in comparison to the service population of the Borough through the departments recruiting activities. This agency will make a good faith effort to meet specific goals for recruiting a diverse workforce, in terms of people of color and gender diversity. The goals and objectives will be accomplished through various recruitment activities listed in the Recruitment Activities section of this plan.

GENERAL:

The Oakland Police Department is a New Jersey Civil Service Commission jurisdiction and must adhere to New Jersey State Statutes and Administrative Code in its recruitment and selection process.

Oakland Borough has a residency preference in all hiring matters. Applicants must be a bona fide resident of Oakland Borough at the time of the closing date of the New Jersey Civil Service Law Enforcement Test. Once Oakland Borough residents have been exhausted from the Civil Service Certification List, Bergen County residents are then provided with preference. If the Bergen County list is exhausted, applications will be open to residents of the State of New Jersey.

The Borough of Oakland is an equal opportunity employer in all facets of the personnel process.

The Chief of Police is responsible for the administration of the Recruitment Plan.

Additional Narrative

Narrative Prompts: A detailed assessment as to whether representation has improved for any previously identified underrepresented groups
A description of the data used to determine the existence of any underrepresentation.
Any new or modified Program goals to be implemented in the upcoming year

In 2022, the Oakland Police Department "current officer" list in the Diversity Report only included one female officer. For 2023, the number of female officers doubled to two female officers. This increased the overall percentage of Oakland PD female officers from 4% (1 female out of 27 officers) to 7% (2 females out of 29 officers). In 2024, job advertisements will continue to be distributed online and at local colleges. The Police Department will explore new ways to further spread recruitment literature. The current female officers and their network will be used to increase recruiting in the female community. Hispanic and Pacific Islander representation in the Oakland Police Department continues to exceed the percentage of those groups in the Oakland community.
