

**BOROUGH OF OAKLAND  
PUBLIC NOTICE**

**HURRICANE SANDY STORM UPDATE  
FOR  
THURSDAY, NOVEMBER 8, 2012**

This is a message from Mayor Linda Schwager:

Restoration of Power

Rockland Electric is very close to having electricity restored to the entire community. Full power would have been restored today if not for a problem created by the Nor'Easter at one of the schools. There are about 20 homes still without power in several locations and we expect that Rockland will connect them tomorrow.

Borough, School and other Facilities

Power has been restored to the Senior Center and it will reopen on Friday, November 9<sup>th</sup>. Normal programming will resume next week.
