## **Update on Spring Recreation Programs:**

Due to the state of emergency, the Oakland Recreation Commission is cancelling their March 30, 2020 meeting. The next scheduled meeting is April 27<sup>th</sup>. If there is a lift of the emergency by federal, state and local governments prior, the commission will schedule an emergency meeting to address the issues regarding Oakland's parks and sports programs. At this time all of Oakland's parks remain closed.

The Recreation Commission still holds out hope for baseball, softball and lacrosse seasons for Oakland's youth. As well as possibly still running the golf and cheer clinics, albeit later in the spring. Over the next couple weeks decisions will be made, but there is no rush at this time to cancel anything.

Football, cheer, lacrosse and soccer sign-ups are still available online, please visit [www.OaklandRec.org](http://www.OaklandRec.org) for all the information. Summer camp registration and counselor interviews will be announced as soon as the emergency is lifted. If you have any questions you would like answered please contact Recreation Chairman Mike Guadagnino at [Recreation@Oakland-NJ.org](mailto:Recreation@Oakland-NJ.org).

Thank you for your patience, we are all in this together!
