- Plastic Film - Bins - Carol - Two clothing dumpster style bins will be purchased with the remaining funding from our BCUA grant. The location of the bins is in the process of changing away from using the Oakland Elks parking lot. - Grants

 - Roots for Rivers is ON! - Carol intends to submit the grant for resolution at the 12/4 Council Meeting. This year's Roots for Rivers project will continue down Knuckles Path towards the Ramapo River. We'll be planting 252 plants this year (about half what we did last year). We also need to plan some maintenance on Black Friday (Nov for the netting, tubes and stakes 10:30AM).
- EV Stations - Upper Saddle River did a EV Car Show. Carol would like to to host that in Oakland through the North Jersey EV Club. Glen Rock is not charging for 2020.
